ABOUT SIX FOR GOOD

Introducing Six for Good's luxury hotel body care range that makes a world of difference. Six for Good's beautiful range of shampoo, conditioner, moisturizer, and hand & body wash is made right here in New Zealand. The designer unisex fragrance is balanced with zesty citrus and fresh kiwifruit extract softened by notes of sandalwood.

Six for Good not only helps your hotel guests feel their very best but it is also dedicated to supporting six charities for disadvantaged children. With every purchase, \$3.00 per carton is donated. Thanks to hoteliers throughout the country Six for Good is helping thousands of Kiwi kids - the future of New Zealand. If you want to give your guests a luxury experience while making a difference, Six for Good is your best choice.

While it is important what is in the product, its more important what is not in the product, so this has been formulated without the nasties.
