

# Press & Wash Self-Adhesive Installation Guide

Including How to Refill and Clean

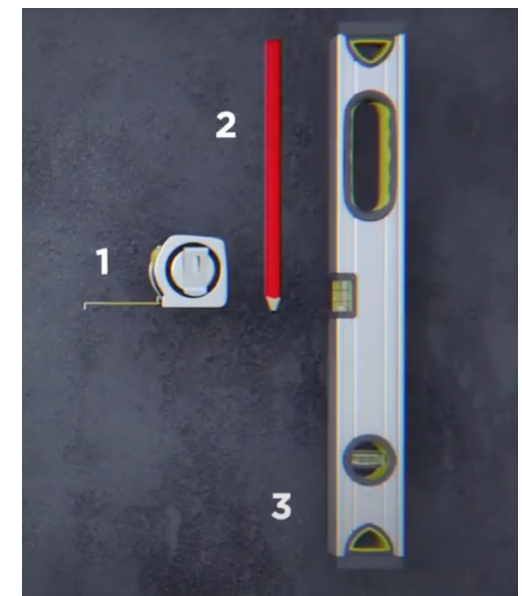

## WHAT WILL BE INSTALLED

1. Bracket
2. Bottle  
(not included)
3. Transparent Collar
4. Unlocking Key
5. Cleansing  
Wipe

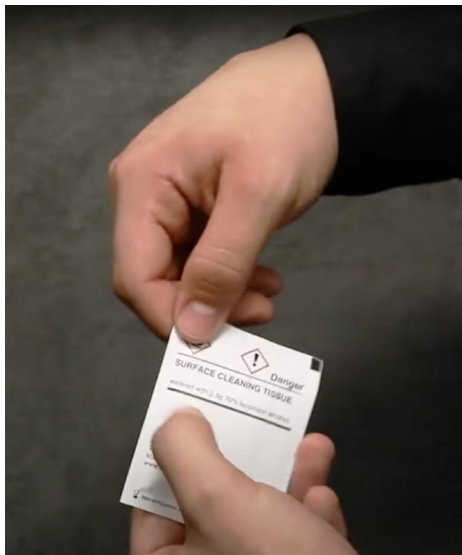

## WHAT YOU NEED

1. Measuring tape
2. Pencil
3. Spirit level

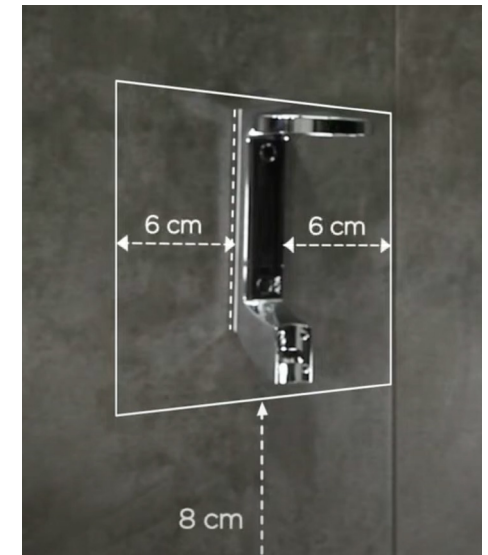

## Step 1

Wipe the wall where the wall holder will go with an alcohol wipe.

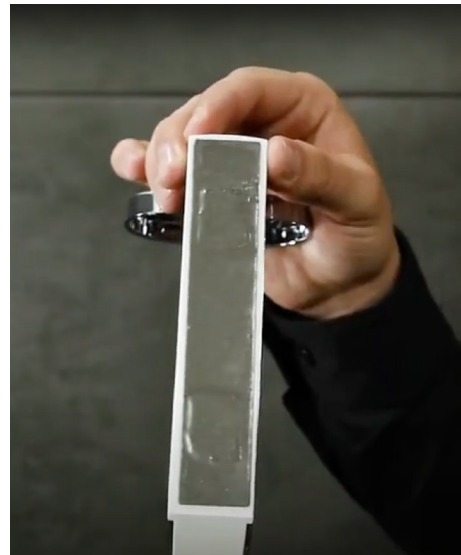

## Step 2

Measure and mark the wall with a pencil at your preferred height. Ensure there is 6cm around both sides of the wall holder, and 8cm below. Do not cover grout lines.

## Step 3

Remove adhesive sticker at the back of dispenser.

## Step 4

Attach the bracket onto the wall, hold for **at least 10 seconds**. Leave the wall holder empty without a cartridge **for 48 hours**.

## Step 5

After 48 hours, insert the bottle to the bracket.

## Step 6

To change bottle, insert key at the base of the bracket, pull cartridge towards to you to release.

## **CLEANING YOUR WASH & PRESS DISPENSER**

Wet cloth for cleaning | Dry cloth for polishing

### **IMPORTANT**

**Do not use any bleaching or abrasive agent**
