## INTRODUCTION

Oliver Hemming is a British Designer who is making a reputation for himself by producing the very best alarm clocks and combining them with first class audio and he recently won the prestigious GOOD DESIGN® Award for his Songbird speaker alarm clock collection.

The GOOD DESIGN® Awards are the world's most prestigious and oldest Design Awards program and are organized annually by The Chicago Athenaeum Museum of Architecture and Design. Founded in Chicago in 1950 by architects Eero Saarinen, Charles and Ray Eames and Edgar Kaufman.

These awards recognise the good and great in all fields of design. Songbird is now the Bluetooth speaker alarm clock of choice for many of the world's best Hotels.

- DSP enhanced bass technology
- Frequency response: 60Hz - 18,000Hz
- Digital amplifier with  $\leq 0.1\%$  distortion
- Bluetooth v4.0 +
- EDR with a range of 10 metres

## DESIRE

These finely detailed Desire Alarm clocks have hand polished steel cases, bevelled mineral glass lenses and a jewel like quality that comes from the exquisite attention to detail. The simple graphics of the dial are illuminated at night by a light that comes on only when the clock is picked up or tilted slightly backwards, so there are no annoying lights to disturb the guest at night. They also have a 100% silent sweep action movement so there won't be any ticking either. The Desire series is now brand standard to some of

the world's best hoteliers and comes in chrome, rose and yellow gold and black. Your guests need the very best, and these beautifully detailed alarm clocks have been approved by some of the world's finest hoteliers. The hand polished chrome steel cases with bevelled mineral glass lenses have a beautiful jewel like quality and weight. The HX80 series have a 100% silent sweep action movement and a night light that comes on when the clock is picked up or slightly tilted. Powered by a single AA Battery.
